## Account Management & Device Support

At Mission Telecom, we don't just provide affordable connectivity—we stand by the devices we sell.

All new devices come with a standard 1-year warranty (Certified Pre-Owned may vary), and we'll guide you through troubleshooting every step of the way. Whether support is handled directly through us or escalated to our partners and OEMs, we make sure issues are resolved quickly and replacements are handled smoothly. With Mission Telecom, you'll always have a team looking out for you.

## About Mission Telecom

Mission Telecom provides affordable and reliable best-in-class broadband to schools, libraries, and nonprofits, ensuring that connectivity is never a barrier to learning, innovation, or community development. With affordable plans, no data caps, and no overage fees, we empower mission-driven organizations with the reliable internet they need to serve their communities and maximize their impact.
